

Wednesdays 6/12, 6/26, 7/10, 7/17, 7/24, 7/31 (5PM-9PM) Heritage Lakewood Belmar Park (801 S Yarrow Street, Lakewood CO 80226)

# **Food Vendor Application**

Enjoy the City of Lakewood's signature outdoor concert series hosted at the Bonfils-Stanton Foundation Amphitheatre. Sounds Exciting offers six (6) weekly concerts featuring both national and local artists, delicious food, and the Beer Garden.

## **Food Vendor Requirements**

Applicants are required to provide for approval a proposed menu including price points AND a picture of your setup as part of this application. Food Vendors may not sell any food or beverage item not listed on the approved menu. Food Vendors must possess a valid Retail Food Establishment License (mobile unit) or a Certificate of Approval from the Jefferson County Department of Health and Environment (temporary food vendors). For additional information, please contact Jefferson County Public Health.

## **Zero Waste Program**

Sounds Exciting! will be a "Zero Waste Event". The City of Lakewood takes a very proactive and committed stance regarding environmentally sound practices. The purpose of the zero-waste program is to utilize compostable service ware materials and to minimize, with the goal of eliminating completely, the amount of waste generated by the event. Accordingly, all vendors **are required to use 100% certified compostable service ware**. Zero Waste Stations will be located throughout the event so that you may properly sort and dispose of your waste. Should you refuse to comply with this requirement during the event, your security deposit will be withheld and this may result in the future denial of your vendor application. Please see "Zero Waste Guidelines" for details.

## **Selection Process**

Acceptance will be based on the following criteria: date availability, type of cuisine, price points, and possession of applicable licenses as determined by the City in the exercise of its sole, reasonable judgement. All vendors must follow and respect any site or sponsor agreements set by the Community Events Coordinator. To help facilitate profitability for all vendors, vendors may be asked to refrain from selling a specific item that is duplicative of an item sold by another vendor. Vendors will be notified of these items upon acceptance notification. Vendors are allowed to sell/offer only the goods/services detailed in their acceptance letter. PLEASE NOTE: this is a City of Lakewood sponsored event.

#### **RETURN COMPLETED APPLICATIONS:**

# **Zero-Waste Agreement**

The Sounds Exciting Concert Series has made significant strides towards becoming a zero-waste event. Help us achieve our goal by complying with our zero-waste policy.

#### Your responsibilities as a Sounds Exciting! vendor:

Not following these rules may result in a forfeiture of your Damage Deposit.

- 1. All service ware (i.e. flatware, containers, packaging, straws etc.) must be certified compostable or certified biodegradable. We are eliminating things that need to go in landfill, so individually wrapped condiments and food (i.e. chip bags) are not acceptable unless distributed in compostable packaging.
- 2. No single-use plastic or glass bottles. Aluminum cans are acceptable.
- 3. Non-food vendors of all types must only distribute items that are compostable or reusable. Plastic bags and individually wrapped items are not allowed; paper and waxed paper bags are a compliant substitute.
- 4. Please strive for reusable tabling and booth decorations. No balloons, please.
- 5. All vendors must properly sort their waste materials during the event using the Zero Waste Stations.
- 6. Please do not use the dumpsters after the event has been closed by organizers.

Please assert that you have read and agree to comply with these responsibilities:

VENDOR Authorized Signature Date		Printed Name & Title	

If you would like recommendations or guidance when preparing for the Sounds Exciting! concerts, please contact rebgus@lakewood.org or 303-987-7859.
