Fees include research and retrieval time not to exceed 1hour. Time spent inspecting documents, redacting exempt information and overseeing the inspection of public records by the requestor will be included in fee calculations. Individual departments may, by administrative rule or action, establish fees and charges for research, retrieval, and reproduction of records specific to that department, as long as they do not exceed the actual cost to the City or applicable fees established by state law. All fees are subject to annual review and revision.

Requestors who have not come in to view the requested information within 10 working days of being notified that the information is available for review will be required to submit a new public records request.

The City does not charge for public records requests for up to 20 pages of readily available documents from the following groups or persons: Members of City Council (see exception under “Fees and Charges”, Administrative Regulation I/A), other governmental officials or organizations, professional associations, or students requesting documents for a specific class research project.

***Note: Any portable storage device (e.g. disk or flash drive) used to transfer information to or from City computers must be provided by the City (see fees above). Any request larger than 2GB will be transferred electronically via <https://www.hightail.com/>**
