## GREAT DOWNHILL SKIING

Ride the ski bus up the mountain, sit back and relax, leaving the driving to us. This year, we are going to Ski Cooper, Copper Mountain and Loveland Basin. If the weather/road conditions warrant a change, we will switch the destination to Loveland Basin.

The ski bus departs the Clements Center but includes a pickup at the Morrison Exit 259, Woolly Mammoth lot, the northwest lot off I-70 west at approximately 7:45 a.m. Please designate while registering where you want to be picked up.

Plan your skiing schedule early and take advantage of early season lift ticket prices.

**Fee:** \$17 per person per trip includes round-trip transportation and escort. The price does not include lift tickets or ski rentals.

**Time & Day:** Trips will depart from the Clements Center Wednesdays, at 7:30 a.m. and return approximately 5 p.m.

## Volunteer Spotlight

### DODIE SCHMIDT

Many of you have probably seen me dashing around the Clements Center the past few years. I have enjoyed volunteering as a travel leader for the Clements travel program. Previously I also volunteered as an assistant to the retired nurse who does the Blood Pressure Clinic. When I retired in late 1995, my husband and I had moved to Humble, Texas, where I applied for a volunteer position at the North East Medical Center in the day surgery/reception area in the new hospital wing. What a wonderful experience! After my husband passed away I continued to volunteer until I moved to Colorado in 2003 to be near my youngest daughter. After settling into my new condo I knew it was best to get involved in something I enjoyed doing so I went back to volunteering at Seniors' Resource Center here in Denver where I work with the visually impaired.

In my "spare" time I travel in my motor home along with my precious canine companions, Bridget and Yoshi. We just returned from a trip to Missouri, Kansas and Oklahoma. So I'm back and you'll see me dashing around the Clements Center and looking forward to many more years of volunteering and meeting ya'll!
