4210 SWORN ON - CALL ASSIGNMENTS

B. Procedure

1. Sworn personnel may be assigned on-call duty for a period of time. During the assigned on-call period, personnel shall be assigned a pager for contact purposes. A department vehicle may be assigned to on-call personnel.

2. It shall be the responsibility of the assigned on-call personnel to keep the Communications Section informed of where they can be contacted during other than normal duty hours.

3. When notified of a response situation, on-call assigned personnel shall respond to the scene of the event within the shortest possible time.

4. On-call personnel shall be responsible for responding to any situation as directed by a division supervisor or at the direction of the Sector Commander.

C. Rule

1. Compensation for time spent on-call is established by City Administrative Regulation.

2. Employees who are called back to perform work will be compensated for two hours of overtime or the actual time worked whichever is greater. Overtime compensation will be paid in addition to the compensation received for being "on-call." Compensation shall commence at the time the employee begins work. If the employee travels to a location other than his/her regular City work place, compensation shall include travel time to and from the designated location.
