Dear Camper Parent or Guardian,

Thank you for choosing to register your child for Camp Paha. We look forward to providing a safe, quality and fun experience for your camper. Enclosed please find the full camper application. Please read all information in its entirety and complete legibly with great care and detail. Your time and effort completing the application will help ensure the high quality of care for your camper.

Complete applications are required **prior** to camp to give the directors an opportunity to place the camper in the appropriate group, give the counselors time to review camper files and the nurse time to review camper medical needs.

**COMPLETED APPLICATION DUE NO LATER THAN FRIDAY, MAY 29, 2009.**  
**A \$25 processing fee will be charged for late paperwork.**

**Please return or mail applications to:  
Camp Paha  
12100 W Alameda Pkwy  
Lakewood, CO 80228**

Campers whose applications are not turned in by the deadline will be moved to the waitlist for their age group. Campers with incomplete applications will not be able to attend camp until their applications are complete.

Please make your appointments for your camper's physical with their doctor ASAP. The physician's page for the physical and medication authorization is required prior to the camper entering camp. The medication authorization page is requirement for our Colorado Child Care License. We must have one medication authorization page for **each** medication the camper will receive at camp. The camp nurse **will not** give any medications to your camper without this authorization.

Thank you for this opportunity to serve your camper. We are looking forward to a fun and exciting summer. If you have any camper questions, please feel free to call or email April Rosenthal.

Sincerely,

*April Rosenthal, MS, CTRS*
