(CITY CDPS PERMIT)

Inspections: 303-987-7900   Information: 303-987-7500   Fax: 303-987-7979

Date:	License #	Property Owner:
Contractor:		Address:
Address:		
		Phones:
Phones:		Please call 303-987-7900 to schedule an inspection 24 HOURS IN ADVANCE of starting ANY construction activities.
Job Location:		

PERMIT IS VALID FOR 180 DAYS

Work Description:

NOTICE:

It is the obligation of the Owner to ensure that erosion control measures SHALL be in place prior to commencement of grading, or stockpiling, and shall be maintained throughout construction. **Weekly inspection reports must be provided to the inspector.** Additional measures may be required during construction and shall be installed at the direction of the City Engineer or his designee. The Owner expressly grants the authority for the City to enter the premises to provide necessary erosion control. The Owner shall reimburse the City for any costs incurred in doing so. The City may also draw on the collateral and if payment is not made, a lien may be filed against the property. Any collateral withdrawn by the City must be replaced in full prior to work commencing again on the property.

Expected Work Start Date:
Expected Work Finish Date:
