CLASSES AND PROGRAMS

FENCING

303.987.7842

ADVANCED SABER

Class will cover the fundamentals of modern competitive saber fencing. It will include training in techniques, drills, exercises and tactics. The class is for the fencer who has developed skill in one weapon and wants to learn saber or a current/former saber fencer who wants to increase their knowledge of the weapon. Participants are expected to have completed a beginning fencing class and have their own non-electric fencing equipment.

Ages: 12 and up

BEGINNING FENCING

This introduction to the Olympic sport of Foil Fencing includes a history of fencing, weapons and basic fencing technique and strategy. We teach competition in a safe and fun environment. Participants will end the class with a tournament competing against their peers. The class is for beginners and those from other beginning classes who are interested in furthering their foil skills. A \$25 fee will be collected at the first class for a personal fencing glove (which each student can keep), insurance and maintenance of the other fencing equipment.

Ages: 12 and up
