Saturday, August 20 | 11:30 a.m. - 7 p.m.  
Heritage Lakewood Belmar Park  
801 S Yarrow Street, Lakewood CO. 80226

### VENDOR APPLICATION

This popular event feature of Cider Days now has its very own weekend! Join us for Pressed fest, a hard cider tasting hosted in partnership with the Colorado Cider Guild. One day with two entry times; a midday tasting from 11:30 a.m. to 2:30 p.m. and an evening tasting from 4-7 p.m. This unique event is Colorado's largest hard cider tasting and will include live entertainment, local food, and artisan vendors.

### ZERO WASTE PROGRAM

Pressed Fest will be a "Zero Waste Event". The City of Lakewood takes a very proactive and committed stance regarding environmentally sound practices. The purpose of the zero waste program is to utilize compostable materials wherever possible and to minimize, with the goal of eliminating completely, the amount of waste generated by the event. Accordingly, all vendors **are required** to use less packaging, and compostable packaging whenever possible. We endeavor to hand sort every bag of waste generated at this event. There will be waste receptacles posted throughout the event where you can properly dispose of your waste *or* you can drop off at the waste sorting station. Please see "Zero Waste Guidelines" for details.

### SELECTION PROCESS

A limited number of vendors will be accepted into the event. Acceptance will be based on a **first-come, first-considered basis as space allows in the respective vendor categories**. Lakewood will do it's best to limit similar display booths and the sale of similar items, so submit your application early. All vendors must follow and respect any site or sponsor agreements set by the Community Events Coordinator. PLEASE NOTE: this is a City of Lakewood sponsored event.

### Your responsibilities as a Pressed Fest vendor:

*Not following these rules may result in a forfeiture of your Security Deposit.*

1. All service ware (i.e. flatware, containers, packaging, straws etc.) must be certified compostable. We are eliminating things that need to go in landfill, so individually wrapped condiments and food (i.e. candy & chips bags) are not acceptable unless distributed in compostable packaging.
2. No single-use plastic or glass bottles. Aluminum cans are acceptable.
3. Non-food vendors of all types must distribute items that are compostable or reusable. Plastic bags and individually wrapped items are not allowed; paper and waxed paper bags are a compliant substitute.
4. Please strive for reusable tabling and booth decorations. No balloons, please.
5. All participating vendors must deposit their waste materials at the sorting station after the event each day.
6. Please do not deposit waste bags in dumpsters after the event has been closed by organizers each day. Bags of waste must be placed in the signed location at the sorting station.

Please assert that you have read and agree to comply with these responsibilities:
