

# Lakewood Municipal Court

## Driving School Options

You have been ordered to attend one of the following driving schools and the court is unable to provide information on the time, location, or cost. A driving school improvement surcharge may be required and will be collected by the driving school.

You must return with your certificate on your scheduled court date. Depending upon your violation, you may be required to appear in court at that time. The negotiated plea bargain will be entered, fines assessed, and payment will be due.

### You are responsible for notifying the school and scheduling your class.
