

ZONE DISTRICT SUMMARY

M-C-T

Mixed Use - Core - Transit

The M-C-T district is intended to provide opportunities for higher density mixed-use development in areas adjacent to light rail stations. The Transit context reflects the most pedestrian-oriented environment, and requires that buildings be located within a short distance of adjacent public streets. Auto-oriented design elements are restricted and have specific design requirements.

The official Zoning Ordinance is available online: www.lakewood.org/zoning
