

CELEBRATE AT HOME!

EARTH DAY 2021 LAKEWOOD, CO

5 WAYS TO PARTICIPATE IN OUR CELEBRATION:

- Energy Conservation: Use your free energy conservation kit to upgrade lightbulbs throughout your home.
- Yard Sign: Plant our beautiful free upcycled Earth Day sign at home to demonstrate your love for the planet.
- Videos: View our curated Earth Day video playlist for sustainability ideas and inspiration.
- Chalk Art: Visit Heritage Lakewood to view beautiful renewal-themed chalk art installations from April 18 through Earth Day (April 22).
- Community: Share Earth Day messages on your sidewalk or our chalkboard at Heritage Lakewood on April 18. Use #LakewoodEarthDay to share!

Reserve your energy conservation kit and yard sign at Lakewood.org/EarthDay or visit Heritage Lakewood from 10 a.m. to 2 p.m. on April 18, while supplies last!

MORE AWESOME WAYS TO MAKE AN IMPACT:

- Visit the LandMark temporary public art exhibition in parks around Lakewood. Get the full map at Lakewood.org/LandMark.
- Take a walk through your neighborhood and appreciate your local environment. Bonus: Pick up litter along your way.
- Become a Junior Ranger at Bear Creek Lake Park. Learn more at Lakewood.org/ParksPrograms.
- Explore trails around the city with the Trail Explorer map at Lakewood.org/Trails.
- Spring cleaning? Use our guides at Lakewood.org/ZeroWaste to responsibly recycle almost anything. Bonus: Get ready for May's Paint Recycling Event!
- Volunteer your time and expertise to a variety of city projects. See current opportunities at Lakewood.org/Volunteer.
- Check out a book about planet Earth from your local library. See JeffCo Public Library's Love the Planet and Sustainable Earth book lists for inspiration.
- Take virtual art and history tours at AlamedaConnects.org/Discover-Alameda
- Make your yard a pollinator-friendly habitat with tips from SustainableNeighborhoodNetwork.org/BeeSafe.
- Work up a sweat on your own or in a class at one of our outdoor fitness areas! Get locations and register at Lakewood.org/OutdoorFitness.
- Make a fun and healthy plant-based snack! Watch Jovial Concepts' video on our Earth Day video playlist for a recipe.
- When was the last time you replaced your furnace air filter? Find energy saving tips for your home at EnergyStar.gov or XcelEnergy.com.
- Cut your shower time by 2 minutes to save 4 gallons of water. Get more indoor and outdoor water-saving tips at DenverWater.org.
- Shop at local small businesses using the Lakewood Local map available at Lakewood.org/SupportLocalBiz.
