POLICY STATEMENT

To facilitate electrical inspections in the City of Lakewood, as of March 18, 2022 until further notice, all required electrical inspections may be performed by a third-party consultant hired by the permit applicant. The third-party consultant must be a Colorado licensed master or journeyman electrician and must currently be licensed to do work within the City of Lakewood. Any third-party consultant wishing to perform any electrical inspection within the City of Lakewood must first submit this completed form to the City for each permit using the eTRAKiT system.
