Minutes to the Mountains

Lakewood is home to a hub of transportation options and multimodal connections. We are connected to the metro area and beyond by three highways (including 6th Avenue, U.S. 285, and Interstate 70), rail lines, bus routes and more. With seven light rail stops along the W Line, you can easily access Regional Transportation District's extensive transportation network across the metro area. You can make connections across the country and around the globe at Denver International Airport with hundreds of domestic flights and 28 direct international flights. Our ideal location between Denver International Airport, the heart of the metro area, and the mountains allows for a wide variety of options for business and personal travel.

In addition to our roads, rail, and bus lines, we also have many bike paths and walking trails throughout the city. Lakewood continues to add to our extensive transportation network to help you get where you need to go however you choose to get there!
