### **C&D WASTE DIVERSION DIRECTORY**

The geographic scope of this resource is the Front Range with a focus on the metro Denver area. This list does not constitute City of Lakewood endorsement of any vendor. New service providers may surface, and existing service provider offerings may change or cease without notice to Lakewood. Contractors, developers, and homeowners are encouraged to investigate additional service providers and outlets to suit needs. Email list edits to <a href="cdwt@lakewood.org">cdwt@lakewood.org</a>.

## TRASH

#### **ROLL-OFF RENTAL & HAULING COMPANIES**

These vendors have active Lakewood waste hauling licenses at the time of list posting and *may* be able to take C&D materials to recycling or reuse facilities *upon request* but primarily market their trash disposal services.
